

Sabrina V. Brown (Walsh), DrPH, MPH
Curriculum Vitae

Department of Epidemiology
University of Kentucky College of Public Health
333 Waller Ave. Suite 204
Lexington, KY 40536

Email: sabrina.brown@uky.edu
Office: (859) 257-6711
Cell: (859) 285-7271
Fax: (859) 323-8191

PRESENT POSITION

Associate Professor, Department of Epidemiology
Principal Investigator and Director, Kentucky Violent Death Reporting System
Kentucky Injury Prevention and Research Center, Department of Epidemiology, College of Public Health, University of Kentucky

EDUCATION

DrPH Area of Concentration: Biostatistics, University of Kentucky, June 2008
MPH Area of Concentration: Environmental and Health Sciences, University of Kentucky, May 2003
BA Major: Communication, Roberts Wesleyan College, May, 1992

ADDITIONAL PROFESSIONAL EDUCATION

MS University of Kentucky, Kinesiology and Health Promotion, completed 16 hours

RESEARCH INTERESTS

Suicide: COVID-related homicide, veteran suicide, gender differences in suicide, teen suicide, homicide followed by suicide
Homicide, intimate partner violence and violent death
Parent alienation syndrome, perpetrator typologies
Drug and alcohol related violence and violent death
Unintentional and intentional drug overdose gun related fatalities
Sudden unexpected infant death, sudden infant death syndrome
Child abuse and neglect, elder abuse, intentional injuries.

PROFESSIONAL EMPLOYMENT

2020-present Core Director, Intentional Injury, Kentucky Injury Prevention and Research Center
2016-present Associate Professor, Epidemiology, College of Public Health, University of Kentucky
2009-2016 Assistant Professor, Epidemiology, College of Public Health, University of Kentucky
2001-present Principal Investigator and Director, Kentucky Violent Death Reporting System, Kentucky Injury Prevention and Research Center, College of Public Health, University of Kentucky
2007-2012 Instructor, Department of Health Sciences, Eastern Kentucky University, Richmond, KY
1996-2000 Adjunct, Department of Health, Physical Ed., Recreation, and Athletics, Asbury College, Wilmore, KY
1994-1995 Television Reporter/Producer: WTVQ Channel 36, Lexington, KY

1994 Television Producer: WROC Channel 8, Rochester, NY
1993-1994 News Anchor/Reporter: WHAM 1180 AM Radio, Rochester, NY
1992-1993 Assistant Producer, Documentary, WXXI, Public Television, Rochester, NY

HONORS

2008 DrPH Research Award, Most Potential in the Area of Theoretical or Applied Research
2008 Delta Omega, Honorary Society in Public Health, Beta Gamma Chapter, College of Public Health, University of Kentucky.
2005 Best Oral Presentation, College of Public Health's Research Symposium
2003 MPH Research Award, Most Promising Investigator: Most Potential as a Public Health Researcher

GRANTS AND CONTRACTS

Pending

Project Title: *Utilizing Statistical Modeling and Improved Technology to Reduce Increasing Violence when Police Presence is Decreasing due to COVID-19*. A proposed collaboration between Louisville Metro Police Department and the University of Kentucky. University of Kentucky CCTS. Requested amount: \$43,664

Project Title: *RADx POCTERN The National Institute of Biomedical Imaging and Bioengineering (NIBIB)*. Collaboration between UK and ANDE/RSD Corporation on the development and clinical testing of a Rapid, POC, Highly Multiplexed SARS-CoV-2 Diagnostic. Submitted June 2020. Requested Amount: \$35,254,930. Role: PI

Project Title: *Veteran Suicide in the Time of COVID-19*. Social Science Research Council. Requested Amount: \$5,541. Role: PI

Project Title: *Understanding Increases of Nonfatal Assaults on Law Enforcement Officers Using Multi-Source Dataset*. National Institute of Justice NIJ-2020-17296, Submitted April 2020. Role: Co-I (PI: Quesinberry) Requested Amount: \$2,500,000

Project Title: *Understanding Precursors to Suicide and Non-Fatal Suicide-Related Outcomes to Predict Who is at an Increased Risk for Suicide*. National Institute of Mental Health RFA-MH-20-305: RO1: Addressing Suicide Research Gaps: Understanding Mortality Outcomes. Submitted February 2020. Requested Amount: \$2,766,442. Role: PI

Current

019-2024 CDC Award Number 1R49CE003092-01-00, The University of North Carolina at Chapel Hill, Injury Prevention Research Center, Evaluate the impact of Medicaid expansion on drug overdose deaths and violent deaths by comparing these mortality outcomes in two Medicaid expansion states (Rhode Island and Kentucky; (Medicaid expanded January 1, 2014) with those in a non-expansion state, North Carolina. Role: Co-I (KYVDRS data linkage), Stephen Marshall, NC (PI)

2019-2022 CDC *Kentucky Overdose Data to Action (OD2A)* Award Number 6NU17CE924971-01, Role: Co-I (PI: Bunn)

2014-2019 CDC *Kentucky Violent Death Reporting System*. Award number 1U17/CE924933, Grant number PA-09904, Amount of award: \$1,370,900. Role: PI

Completed

- 2016-2019 CDC. *Enhanced State Surveillance of Opioid-involved Mortality and Morbidity*. Centers for Disease Control and Prevention, \$1,228, 517. Role: Co-I (PI: Slavova)
- 2015-2018 CDC Foundation, *Death Scene Investigation Focus Groups*. Amount of award: \$150,000. Role: Consultant. PI: Margaret Warner
- 2016-2017 College of Public Health Research Office and Research Committee, inaugural just-in-time (JIT) grant funds for faculty/student teams to incubate research projects that will result in peer-reviewed presentations and publications. Courtney Blondino (MPH Epidemiology student) and Dr. Sabrina Brown: *Thematic analysis and interpretation of homicide-suicide narratives of the National Violent Death Reporting System*. Amount of Award: \$500. Role: Mentor and Advisor.
- 2014-2019 CDC. *Kentucky Violent Death Reporting System*. Award number 1U17/CE002601-01, Grant number PA-09904 Amount of award: \$1,152,500. Role: PI.
- 2012-2014 NIH. *Suicide Bereavement in Military and their Families*. OD W81XWH-10-2-0178 Amount of Award: \$646,643. Role: Co-PI. PI: Cerel
- 2012-2013 American College of Preventive Medicine, Robert Wood Johnson Foundation. *Multi-State (18 States) National Violent Death Reporting System Project Report for Congress*. Amount of Award: \$10,000. Role: PI
- 2009-2011 CDC. *Elder Maltreatment Surveillance Pilot*. (Collaboration between the KVDRS, Graduate Center for Gerontology, and the Department for Community Based Services to pilot The Elder Maltreatment Surveillance Project.) Award number 1U17/CE001693-01, Grant number PA-09904. Amount of award: \$17,821. Role: PI
- 2009-2014 CDC. *Kentucky Violent Death Reporting System*. Award number 1U17/CE001693-01, Grant number PA-09904. Amount of award: \$878,244. Role: PI
- 2004-2009 CDC. Award number U17/CCU424128-01, Grant number PA-04061, *Development- of the National Violent Death Reporting System* (Statewide surveillance system designed to track trends and characteristics of violent deaths with the goal of reducing these deaths.) Amount of award: \$1,111,015.00. Role: PI
- 2006-2007 CDC. *Supplement to conduct surveillance of sudden unexplained infant deaths*. Award number U17/CCU424128-03, Grant number PA-04061. Amount of award: \$23,200.00. Role: PI

Unfunded

- 2019-2021 CDC. *Emergency Department Surveillance of Nonfatal Suicide-Related Outcomes (ED-SNSRO)*. RFA-CE19-1906 Amount requested: \$163,812. Submitted 6/14/2019. Role: PI

- 2019 University of Kentucky, Igniting Research Collaborations, Pilot Grants. *Understanding how to Provide the Best Opportunities in STEM Fields of Study for Females, Minorities, Disabled, Low-income and/or Underserved Populations*. Submitted 5/31/2019. Role: PI
- 2017-2020 National Institutes of Justice, Research and Development in Forensic Science for Criminal Justice Purposes. *Death Scene Investigation: Forensic Evidence Collection and Processing*. NIJ-2016-4305. Amount requested: \$1,000,000 Submitted 2/1/16. Role: PI
- 2016-2021 NIH. *A New Approach to Predicting Suicide and Partner Homicide*. (R01) Application ID: 1R01AA023536-01A1. Amount requested: \$3,626,777. Submitted 10/2/2015. Role: PI
- 2015-2020 NIH. *A New Approach to Predicting Suicide and Partner Homicide*. (R01) Application ID: 1R01AA023536-01A1, Amount requested: \$3,626,777 Submitted 2/3/2014. Role: PI
- 2015-2020 NIH. *A New Approach to Predicting Suicide and Partner Homicide*. (R01) Application ID: 1R01AA023536-01A1, Amount requested: \$3,626,777. Submitted 11/19/2014. Role: PI

SERVICE

Department, College, and University of Kentucky

- 2021-Present KIPRC Strategic Planning Leadership Team, College of Public Health
- 2018-Present Interim Chair, Research Committee, College of Public Health
- 2017-Present Faculty Affiliate, Center for Interdisciplinary Mental Health Research (CIMHR)
- 2017-Present Faculty Affiliate, Center for Violence Against Women
- 2010- Present Faculty Associate, Center for Research on Violence Against Women
- 2017 Member, Peer Review of Teaching Task Force, College of Public Health
- 2017 Committee Mentor, Kentucky Global Health Competition Planning for the Global Health Case Competition, Gatton College of Business and Economics
- 2014-2016 Member, Academic and Student Affairs Committee, College of Public Health
- 2012-2014 Member, Task Force on Organizational Structure, College of Public Health
- 2011- 2013 Member, Practice and Service Committee, College of Public Health

State (Kentucky)

- 2021-Present Member, KICS Data Surveillance Group, Kentucky Department for Behavioral Health, Developmental & Intellectual Disabilities
- 2020-Present Committee Member, COVID-19 Suicide Advisory Group for the Department for Public Health, Prevention & Promotion Branch, Kentucky Department for Behavioral Health, Developmental & Intellectual Disabilities (Role: epidemiologist for suicide deaths)
- 2019-Present Committee Member (higher education group), Governor's Challenge to prevent veteran suicide: Community of Practice
- 2005-Present Group Leader, Kentucky Violent Death Reporting System Annual Advisory Board Meeting. Frankfort, KY

- 2014-2017 Group Member (Epidemiologist for Suicide Deaths)
Resources for Education, Adaption, Change and Health (REACH) Evaluation
Department for Behavioral Health, Developmental and Intellectual Disabilities:
Prevention and Promotion Branch
- 2014- 2017 Group Member (Epidemiologist for Suicide Deaths)
State Epidemiological Outcomes Workgroup
Department for Behavioral Health, Developmental and Intellectual Disabilities:
Prevention and Promotion Branch
- 2014-Present Group Member, Suicide Prevention Consortium of Kentucky (SPCK)
- 2014-2016 Subgroup Chair, Member 2016-Present, Building Epidemiologic Capacity in
Kentucky (BECKY), Core Competency Sub Group
- 2014-2017 Subcommittee Co-Chair, Commissioner Patricia R. Wilson's Children Justice Act
Task Force, Child Abuse Intake System Evaluation Subcommittee
- 2012-Present Group Member, Children's Task Force for Child Abuse and Neglect
- 2011-2013 Group Member, Office of the Attorney General, Domestic Violence Task Force.
- 2010- 2014 Member, Commissioner Patricia R. Wilson's Children Justice Act Task Force,
- 2007-2008 Member, Death Registration Stakeholders Planning Group, Frankfort, KY.
- 2006-Present Member, CDC Funded Injury Surveillance Core Grant Workgroup, Lexington, KY.
- 2006-Present Group Member, Suicide Prevention Task Force
- 2006-2012 Honorary Member, Kentucky Coroners' Association, Executive Board
- 2005-2017 Outside Consultant, State Child Fatality Review Team

National

- 2020 Peer reviewer on the Special Emphasis Panel for CE-20-006, "Research Grants to Prevent Firearm-Related Violence and Injuries". July 6-7, 2020 (Virtual). CDC National Center for Injury Prevention and Control Special Emphasis Panel
- 2020 Participated in a series of interviews with the program coordinator for the *Safe States Alliance* (and in partnership with the *Joyce Foundation*) to seek to better understand the history, successes, and challenges of the National Violent Death Reporting System (NVDRS). This resulted in a national publication. May 2020
- 2020 Worked with the *American College of Preventive Medicine* to create a repository of documents that could be of use to state NVDRS programs. I participated in a series of interviews with the VP of communications and development. May 2020
- 2020 Participated in an interview with *Understory*, (funded by *Joyce Foundation*): a consulting firm with a focus on social impact and public policy work, about KYVDRS activities and the NVDRS program. Initiated the idea of and assisted in the development of a possible RFA, and cost allocations (*Joyce Foundation*) for more advanced data linkages with state VDRSs, analyses and research activities (CDC does not allow research activities with NVDRS funding). April, May and June 2020
- 2018 Principal Investigator Representative, NVDRS
Reverse Site Visit Annual Conference, Content and Curriculum Event
Development, Planning and Implementation (New Orleans, LA, May 2018)
- 2017 Content Expert and Consultant
CDC Foundation, *Death Scene Investigation Focus Groups*. (Atlanta, GA, July 2017)
- 2014 Expert Technical Advisor, Substance Abuse and Mental Health Services
Administration, Rockville, MD

2009-2012 Committee Member
Training and Infrastructure Committee, *Society for Advancement of Violence and Injury Research*. Analyzed surveys of multiple webinar participant evaluations; webinar coordinator and moderator

2008 Nominee, Executive Committee
State and Territorial Injury Prevention Directors Association, Atlanta, GA

2008-2009 Committee Member
Developing a Nationwide Sudden Unexpected Infant Death Case Registry Steering Committee, Centers for Disease Control and Prevention, Atlanta, GA

2007-2009 Kentucky Representative, National Violent Death Reporting System Multi-State Report

2007-2008 Communication Workgroup, State and Territorial Injury Prevention Directors Association

2001-2002 Workgroup Participant, National Violent Injury Statistical System, Harvard School of Public Health, Boston, MA
