

BACHELOR OF  
PUBLIC HEALTH

CHANGE YOUR  
*life*  
CHANGE THE  
*world*

WHAT CAN YOU DO WITH A BPH?

*Everything.*

“Public health is training me to make a difference in the health of entire populations. And the faculty really care. What you get here is a focus on students. I know my goals are *possible* because UK has given me the tools to succeed.”

# A HEALTHIER WORLD FOR ALL.

The Bachelor of Public Health is a career-focused, world-ready degree for students who want to make the impossible a reality. Imagine a world where we can stop disease before it happens. A world with less human suffering, more access to care, and health equity for all. You are the generation that will make it happen. The University of Kentucky College of Public Health will give you the tools you will need.

The College of Public Health offers you the knowledge, support, and real-world experience that will expand your concept of what is possible – for you and for the world.

## HERE ARE A FEW CAREER FIELDS POPULAR WITH BPH ALUMNI:
