Research Support, Cooperative Agreements and Contracts

Current and Active:

2014-2016 Department of Public Health, Cabinet for Health and Family Services, Kentucky State Government. Role: PI. Funds pilot project to assist physician practices with improvement of specific quality metrics through EHRs. Award: December 1, 2014-June 30, 2015: \$56,698. Second Award: July 1, 2015 – June 30, 2016: \$57,675.

2015-2016. Kentucky Department for Medicaid Services Environmental Scan. Role: PI. Survey of Health Information Technology Adoption by Kentucky Health Care Providers. Award: July 1, 2015 – June 30, 2016: \$125,000.

2011- 2015 Kentucky Medicaid Specialist/Provider Regional Extension Services. Role: Co-investigator, meaningful use advisor. Funds services to specialists/providers serving Medicaid participants to assist in the adoption and implementation of EHRs and attainment of Meaningful Use. Award: May 1, 2010 – June 30, 2012: \$1,975,000. July 1, 2012-June 30, 2014: \$2,600,000. July 1, 2014-September 30 2015: \$2,247,750. October 1, 2015-June 30, 2016: \$1,348,650.

2015-2016. Department of Public Health, Cabinet for Health and Family Services, Kentucky State Government. Role: Co-Investigator. Funds Colorectal Cancer Control Program education and outreach. July 1, 2015- June 30 2016. \$117,000.

Funded and Completed:

2010-2015. Kentucky Regional Extension Center. Funding: Office of the National Coordinator, US Department of Health and Human Services. Role: Co-principal investigator, co-grant writer and meaningful use consultant. Provides services to priority primary care providers in 90+ Kentucky counties to assist in the adoption and achievement of meaningful use of electronic health records. Original award: \$6,005,467 an additional \$399,308 received in January 2011 and an additional \$474,543 administrative adjustment in Fall 2012. No Cost Extension granted through March 2015. Total award: \$6,879,318.

2010-2014. Kentucky Regional Extension Center Critical Access Hospital Supplemental Award. Funding: Office of the National Coordinator, US Department of Health and Human Services. Role: Co-principal investigator, co-grant writer and meaningful use advisor. Original supplemental award: \$360,000. No Cost Extension granted through March 2015.

2010-2014. Kentucky Regional Extension Center Critical Access Hospital Supplemental Award #2. Funding: Office of the National Coordinator, US Department of Health and Human Services. Role: Co-principal investigator, grant writer and meaningful use advisor. Second supplemental award: \$180,000. No Cost Extension granted through March 2015.

2010-2014. Tri-State Regional Extension Center. Funding: Office of the National Coordinator, US Department of Health and Human Services. Role: Co-investigator, meaningful use advisor. Provides services to priority primary care providers to assist them in adopting and achieving meaningful use of electronic health records. Original subcontract to Kentucky REC: \$1,805,664 with an additional \$78,637 received in January 2011. Total award: \$1,884,301.

2009-2012. Public Health Systems and Services Research Data Integration. Funding: Robert Wood Johnson Foundation. Role: Co-investigator. Funds the harmonization and integration of ASTHO (the Association of State and Territorial Health Officials), NACCHO (the National Association of City and County Health Officials), and NALBOH (the National Association of Local Boards of

Health) profile surveys of local and state health departments and boards of health in the United States and its territories. Total award: \$600,000.

2011. State Planning for the Affordable Care Act. Funding: Kentucky Cabinet for Health and Family Services. Role: Co-investigator, co-grant writer. Funds background research on the Kentucky health insurance market. Award: \$309,600.

2007-2008 Health Information Technology Adoption by Kentucky Health Care Providers Funded by Kentucky Cabinet for Health and Family Services. Role: Co-investigator. Award: \$130,000.

2007-2008. An Exploratory Study of the Relationship of Public Health Department Types and Their Performance. Funded by the National Network of Public Health Institutes in collaboration with the National Public Health Performance Standards Program Role: Co-investigator.

2007-2008. New Data, Same Story? A Replication of Studies Using National Public Health Performance Data. Funded by the National Network of Public Health Institutes in collaboration with the National Public Health Performance Standards Program. Role: Co-investigator.

2007-2008. Translating research into practice: A tool for public health performance improvement. Funded by the National Network of Public Health Institutes in collaboration with the National Public Health Performance Standards Program. Role: Co-investigator.

Not Funded:

Mid-South PTN CMS Cooperative Agreement. Centers for Medicare & Medicaid Services. Transforming Clinical Practice Initiative, (TCPI), Practice Transformation Networks (PTN)/ Role: Population Health Specialist, co-grant writer.

Starting with the ABCS: A Model to Use Evidence for Sustainable Improvement. Agency for Health Care Research and Quality. Accelerating the Dissemination and Implementation of PCOR Findings into Primary Care Practice (R18) Role: Co-investigator, co-grant writer.

Academic Instruction:

Primary or sole faculty:

Organization Theory and Behavior. Health Administration (HA) 642. University of Kentucky College of Public Health. Three credit hours. MHA required course. Master of Health Administration Program. Fall 2010 (21 students), Fall 2011 (29 students), Fall 2012 (23 students), Fall 2013 (27 students), Fall 2014 (28 students), Fall 2015 (22 students). .

Independent Study (CPH 999). University of Kentucky College of Public Health. Three credit hours. DrPH Program. Spring 2013 (1 student).

Independent Study (HA 785). University of Kentucky College of Public Health Two credit hours. MHA Program. Spring 2015 (1 student).

Independent Study (HA 785). Health Administration (HA 785). University of Kentucky College of Public Health. One credit hour. MHA required course. Master of Health Administration Program. Spring 2014 (6 students), Spring 2015 (5 students). Spring 2016 (13 students)

Public Organization Theory and Behavior. Health Administration (HA) 642.

University of Kentucky Martin School of Public Policy and Administration. Master of Health Administration Program. Three credit hours. MHA required course. Fall 2007 (*34 students*), Fall 2008 (*26 students*), Fall 2009 (*25 students*). (HA 642 was cross-listed with PA 642).

Program Evaluation for Public Health Professionals and Leaders. CPH 956. University of Kentucky College of Public Health. Doctor of Public Health Program. 3 credit hours. DrPH optional course. Fall 2009 (*11 students*). Fall 2010 (*9 students*). (CPH 956 was originally listed as CPH 758).

Information Systems in Health Care. Health Administration (HA) 624, University of Kentucky College of Public Health, Master of Health Administration Program. Three credit hours. MHA required course. Spring 2011 (*20 students*). Spring 2012 (*20 students*), Spring 2013 (*23 students*), Spring 2014 (*21 students*) Spring 2015 (*29 students*), and Spring 2016 (*22 students*).

Information Systems in Health Care. Health Administration (HA) 624, University of Kentucky Martin School of Public Policy and Administration, Master of Health Administration Program. Three credit hours. MHA required course. Spring 2008 (*20 students*). Spring 2009 (*26 students*). Spring 2010 (*23 students*).

Internship in Health Administration. Health Administration (HA) 711, University of Kentucky College of Public Health, Master of Health Administration Program. One credit hour. MHA required course. Spring 2011 (*14 students*), Spring 2012 (*20 students*), Spring 2013 (*23 students*), Spring 2014 (*20 students*), Spring 2015 (*24 students*). Summer 2015. (*3 students*). Spring 2016 (*20 students*) Summer 2016 (*1 student*). .

Internship in Health Administration. Health Administration (HA) 711, University of Kentucky Martin School of Public Policy and Administration, Master of Health Administration Program. Three credit hours. MHA required course. Fall 2009 (*15 students*). Spring 2010 (*9 students*). Summer 2010. (*3 students*). Fall 2015 (*1 student*).

Special Topics: Program Evaluation. Health Services Management (CPH 758-401) University of Kentucky College of Public Health, Master of Public Health Program. Three credit hours. MPH, MHA independent study. Spring 2008. (*1 student*). Fall 2010. (*1 student*).

Health Administration Planning and Management Techniques. Health Services Management (HSM) 353, Adjunct Faculty, University of Kentucky College of Allied Health Professions, Fall 2001 (*approximately 14 students*).

Team of Two Faculty:

Program Evaluation for Public Health Professionals and Leaders. CPH 956. University of Kentucky College of Public Health. Doctor of Public Health Program. 3 credit hours. DrPH optional course. Fall 2011 (*8 students*).

Information Systems in Health Care. Health Administration (HA) 624, Adjunct Faculty (Co-Instructor), University of Kentucky Martin School of Public Policy and Administration, Master of Health Administration Program. Spring 2007 (*17 students*).

Internship in Health Administration. Health Administration (HA) 711, University of Kentucky Martin School of Public Policy and Administration, Master of Health Administration Program. Three credit hours. MHA required course. Spring 2008 (*7 students*). Fall 2008 (*15 students*).

Team of Three Faculty:

Decision Making in Healthcare Organizations. Health Administration (HA) 660. University of Kentucky College of Public Health, Master of Health Administration Program. Three credit hours. MHA required course. Spring 2016 (28 students).

Courses Developed:

Program Evaluation for Public Health Professionals and Leaders. CPH 956. Role: principal course developer.

Academic Advising: Serve as advisor for MHA students continually since Fall 2010. Role: academic and career advising for a subset of MHA students.

Student Capstone Committees: MHA

Jeremy Stevens: Ophthalmology Lean Project at the VA Hospital (complete)

Whitney Sanders: Implementing Hotel-Style Room Service for Patient Meal Delivery in Hospitals: Best Practices Identified for use at Saint Joseph Hospital and Saint Joseph East (chair, complete)

Lauren Swirski: Allscripts AEHR Upgrade: v11.2.2 to v11.4.1 (chair, complete)

Marcus Pigman: Reducing Hospital Readmissions (complete)

Thecla Emmerich: Nurse staffing in a Seasonal Pediatric Unit (complete)

Jennifer Lackey: Line item case costing by surgical department in an outpatient surgical facility (complete)

Holly Anne Overcash: Inventory assessment of patient- and family-centered care in the neonatal intensive care unit at the University of Kentucky Children's Hospital (chair, complete)

Hadia Jadoon: Physician underutilization of home health: an exploratory study (chair, complete)

Kym Gowin: The 7-2-1 Project: improving access at the Kentucky Neuroscience Institute clinic (complete)

Marianna Martin: Operating Room First Case Start Delays: A Cost Implications Analysis (complete)

Kayla Hinton: Crimson Practice Management: Optimizing Physician Practice Performance (complete)

Jennifer Saman Wilder: Improving Overall Patient Satisfaction Scores at the Kentucky Children's Hospital (complete)

Shonta Winters: Examining the Efficiency of Staffing Procedures in Primary Care Physician Groups (chair, complete)

Grayling Dwayne Yarbrough: An Analysis of Supply Chain and Inventory Control within Internal Medicine Practices (complete)

Marcie Timmerman: Recommendations for Evidence-Based Improvement at Participation Station (chair, complete)

Robert Hensley: Room-In Rehab Model for Neonatal Abstinence Syndrome Diagnosed Infants: A Feasibility Analysis. (chair, complete)

Matt Turner: Making Meaningful Use Meaningful. (chair, complete)

Leeah Anne Fields: Restructuring Phlebotomy: Maximizing service efficiency and decreasing blood draw errors in an acute care facility. (complete)

Kristen Corvi: Providing effective care to an increasingly diverse population in a time of healthcare reform (chair, complete)

Charles Li: Fighting cancer with process improvement: application of the Lean philosophy in the chemotherapy patient process flow (chair, complete)

Tamela Harper: Removing barriers in a complex rural health system to implement strategic change while utilizing balanced scorecards (chair, complete)

Lindsay Hall-Harmon: Finding the missing opportunity: a close look at no-shows in the VA urology clinic (complete)

Amit Mohan Arbune: The emergency department operational efficiency project (complete)

Sharon Welch: LEAN on me: Cost effective creation of a patient medical chart in transition to an electronic health record (complete)

Talib Khan: Process improvement at the University of Kentucky College of Dentistry Walk-In Clinic using Lean (chair, complete)

Corey Cecil: Electronic Prescribing: A system upgrade that makes sense for mental health (complete)

Marlena Winkler: Prediction of survival outcomes in allogeneic transplant patients (complete)

Derek Prince Marbell: Describing and improving patient wait times in an outpatient practice: applying Lean tools and identifying solutions for reducing wait times in the University of Kentucky General Internal Medicine Clinic (chair, complete)

Tahnyah Burner: Process improvement of patient flow within the University of Kentucky's Family Care Center of Lexington, KY (chair, complete)

Jeremy Zagorski: Assessing a hospital's culture in its changing internal environment (complete)

Deepali Jain: Process evaluation of replacement of the scheduling system at UK Healthcare: A pilot (complete)

Bryan K. Lindsay: Implementing proactive care rounding in a skilled nursing facility (complete)

Joe Beavers: Level Best: Balanced Scorecard design and implementation in a long-term care environment (complete)

Caleb Kincaid Williams: A Commitment to Change: Improving performance and satisfaction within the Kentucky Medical Services Foundation (complete)

Prashanth Bala: Increasing the amount of time nurses spend at the patients' bedside by improving the processes of ancillary services and creating a learning organization (complete)

David Webster: ED Flow Lexington VA Medical Center (complete)

Zachary M. Sage: Improving patient flow at the University of Kentucky Breast Care Center (complete)

Samuel Martin: An analysis and comparison of two separate data warehouse implementation efforts at a multi-hospital health system (complete)

Lindsey Preston: No-Show Analysis: A process improvement plan to lower no-show rates (complete)

Amy Peppard: Should bedside feeding tube placement be a new role for nutrition support dietitians? A decision analysis (chair, complete)

Amanda Sokan: In search of the Holy Grail: Assessing employee engagement at a Kentucky based health care organization (complete, outside advisor)

MPH Shawn M. Crouch, Palliative Care: Evaluating and Designing Process Improvements for an Inpatient Consultative Program (chair, complete)

Michael Abisa: Meaningful Use and Electronic Laboratory Reporting: Challenges Health Information Technology Vendors Face in Kentucky (chair, complete)

Danielle Abelson: Evaluation of the Osher Lifelong Learning Institute (OLLI) wellness program for older adults at the University of Kentucky (complete)

Jacob Shepard: The association between the presence of long-term care hospitals and their impact on patient health and emergency department utilization (complete)

Carrie Elizabeth Kefalas: Predictors of HPV vaccination completion among young rural women (complete)
