PERSONAL INFORMATION

Residential Address

284 Larch Lane, Lexington KY 40511

Cellular Telephone

859-333-4765

EDUCATIONAL BACKGROUND

University of Kentucky, College of Public Health, Lexington, Kentucky

Master of Public Health – May 2012

Concentration: Health Services Management

Capstone Project: “Impact of KY Infection Prevention Boot Camp Training on Infection Prevention Programs Across the State”.

Indiana Wesleyan University, Marion Indiana

Bachelor of Science in Nursing – 2007

Lexington Community College/University of Kentucky, Lexington Kentucky

Associate in Applied Science/Nursing – 1988

LICENSURE, CERTIFICATION, AND TRAINING

Registered Nurse – Kentucky

1988 - Present

Board Certification in Infection Control (CIC)

Certification Board of Infection Control and Epidemiology, Inc.

2008-Present (certification in 2008, re-certification in 2013, current certification expires 12/31/2027)

PROFESSIONAL CAREER

Healthcare-Associated Infection (HAI)

Prevention Program Coordinator

2012 – Present

Kentucky Department for Public Health

Division of Epidemiology and Health Planning

Infectious Disease Branch

Frankfort, Kentucky

HAI Prevention Program Infection Prevention Nurse Consultant 2011 - 2012	Kentucky Department for Public Health Division of Epidemiology and Health Planning Infectious Disease Branch Frankfort, Kentucky
Infection Prevention Nurse Contractor Supervisor 2012- Present	University of Kentucky College of Public Health Lexington, Kentucky
Infection Prevention Nurse Contractor 2011- 2012	University of Kentucky College of Public Health Lexington, Kentucky
Infection Preventionist 2005 - 2011	UK HealthCare Lexington, Kentucky
Staff Nurse, Critical Care Division 1990 - 2005	UK HealthCare
Staff Nurse, Medical/Surgical 1988 - 1990	UK HealthCare

PROFESSIONAL AFFILIATIONS

Association for Professionals in Infection Control and Epidemiology
2005 - Present

Bluegrass Chapter of Association for Professionals in Infection
Control and Epidemiology
2005 – Present

West Kentucky Chapter of Association for Professionals in
Infection Control and Epidemiology
2016 – Present

Kentuckianna Chapter of Association for Professionals in Infection
Control and Epidemiology
2016 – Present

Council of State and Territorial Epidemiologists
2014 - Present

Council of State and Territorial Epidemiologists HAI subcommittee
2014 - Present

University of Kentucky Alumni Association
1988 - Present

Council for Outbreak Response: Healthcare-Associated Infection and Antimicrobial-Resistant
Pathogens
2017 – Present

ELECTED OFFICES

Bluegrass APIC Chapter (Educational Chair) 2009-2010, Chapter President 2014 - 2015

AWARDS AND HONORS

Sally Reeves Recognition Award Recipient 2015

Public Service Recognition Week – 2019 Appreciation Award given by Secretary Thomas B. Stephens, Personnel Cabinet, Kentucky State Government. Award given May 4, 2019

PROFESSIONAL APPOINTMENTS

Kentucky Department for Public Health

Kentucky State Regional Infection Prevention and Epidemiology Program (K-STRIPE) Healthcare-Associated Infections Advisory Committee, Co-Chair
2012-Present

Certification Board of Infection Control and Epidemiology, Inc.
Practice Analysis Review and Test Specification Development Team
Appointed in 2014-2016, Reappointed in 2016 – 2018, Reappointed in 2019.

Board Of Directors, appointed January 1, 2021

Sigma Theta Tau Nursing Honor Society, Delta PSI Chapter
2011-2019

Fellow, Association of Infection Control & Epidemiology (FAPIC), appointed by the Association of Infection Control and Epidemiology (APIC) March 2021.

OTHER APPOINTMENTS

Honorable Order of the Kentucky Colonials Nominated and inducted – 2013 and 2021

National Society Daughters of the American Revolution
Inducted 2016
Big Spring Chapter, Georgetown, Kentucky

ABSTRACTS AND POSTERS

Spicer, K., Cox, K., Zinner, R., & **Flinchum, A.** *“Carbapenem-Resistant Enterobacteriaceae in Kentucky – Initial Six Months of Mechanism Testing”*. Presented at ID Week 2018 in San Francisco, California October 2018.

Spicer, K., Roser, L., & **Flinchum, A.** *“Klebsiella pneumoniae Carbapenemase and Verona Integron-Encoded Metallo-B-Lactamase among Carbapenem-Resistant Enterobacteriaceae”* Presented at ID Week 2018 in San Francisco, California October 2018.

Porter, K., Hoven, A., Dott, M., & **Flinchum, A.** *“Outpatient Antimicrobial Prescriptions in Kentucky, 2013-2014”*. Presented at the Council of State and Territorial Epidemiologists annual conference in Anchorage, Alaska June 2016.

Daniels, K., Wiemken, T., & **Flinchum, A.** *“Outbreak Investigation of Carbapenem-Resistant Enterobacteriaceae in a Long-term Acute Care Facility”*. AJJ 2016 presentation #41. Presented as an abstract at the 43rd Annual Association of Professionals in Infection Control and

Epidemiology Education Conference and International Meeting in Charlotte, North Carolina June 2016.

Rush, C., Tobias, J, Grooms, W., Roser, L. & **Flinchum, A.** *“Application of Pulsed-Field Gel Electrophoresis Subtyping to the Investigation of a Healthcare-Associated Infection Outbreak in Kentucky”*. Presented at the Council of State and Territorial Epidemiologists annual conference in Nashville, Tennessee June 2014

Groenewold, M., Russell, L., Konkle, S., Geisbrecht, K., **Flinchum, A.**, Roser, L. & Brawley, R. *“Investigation of a cluster of rapidly-growing Mycobacteria infections associated with joint replacement surgery in a Kentucky Hospital”*. Presented at the Council of State and Territorial Epidemiologists annual conference in Nashville, Tennessee June 2014

Chang, P., Kearney, P., Blanton, K. & **Flinchum, A.** *“Early Removal of Unnecessary Central Lines is the Most Important Element of CLABSI Prevention Bundle”*. Presented at the 2014 Surgical Infection Society Meeting in Baltimore, Maryland April 30- May 3, 2014.

Sands, R., **Flinchum, A.**, Rush, C., Groenewold, M., Brawley, R. & Dove, M. *“Decreasing Clostridium difficile Infections in the Long-Term Care Population: A Statewide Collaborative Project in Kentucky”*. Presented at the Council of State and Territorial Epidemiologists annual conference in Pasadena, California June 2013.

Flinchum, A., Swiderski, P., Harris, C., Nelson, C., Steele, J., Turner, M. & Chang, P. *“A Novel, Inter-Departmental Collaborative Effort to Identify Ventilator-Associated Pneumonia Utilizing Information Technology, Administrative Billing Codes and Traditional Surveillance Methodology”*. AJIJ 2011 publication #15-238. Presented as a poster at the 38th annual Association of Professionals in Infection Control and Epidemiology Educational Conference and International Meeting in Baltimore, Maryland June 2011.

Flinchum, A., Harris, C., Swiderski, P., Nelson, C., Conigliaro, J. & Chang, P. *“Novel Five Tier Approach to Reduce Central Line-Associated Blood Stream Infections in an Academic Medical Center”*. AJIC 2010, publication # 4-020. Presented at the 37th annual Association of Professionals in Infection Control and Epidemiology Educational Conference and International Meeting in New Orleans, Louisiana July 2010. Also presented at University of Kentucky Nursing Research Papers Day, November 2010.

Flinchum, A., Harris, C., Swiderski, P., Swartz, C. & Nelson, C. *“A collaborative, Multidisciplinary Infection Control Escalation Plan to Enforce Zero Tolerance of Multi-Drug Resistant Organisms in Adult Intensive Care Units”*. AJIC 2008, publication #11-117. Presented at the 35th annual Association of Professionals in Infection Control and Epidemiology Educational Conference and International Meeting in Denver, Colorado June 2008.

Flinchum, A., Harris, C., DeVerges, J., Cumming, S. & McCormick, M. *“Infection Control: The Role of Facilitator in Process Improvement to Ensure Safety of Reprocessed Medical Equipment”*. AJIC 2007, publication # 11-154. Presented at the 34th annual Association of Professionals in Infection Control and Epidemiology Educational Conference and International Meeting in San Jose, California June 2007.

Swiderski, P., **Flinchum, A.**, Harris, C., Herman, M., Fister, R. & Nelson, C. “A Collaborative, Multidisciplinary Approach to Investigating Clusters of Infections and Improving Orthopedic Surgical Outcomes”. AJIC 2009 Publication 13-148. Presented at the 36th annual Association of Professionals in Infection Control and Epidemiology Educational Conference and International Meeting in Ft. Lauderdale, Florida June 2009.

McCormick, M., Harris, C., **Flinchum, A.**, Overman, S., Beavers, S, Blossom, D. & Srinivasan, A. “An outbreak of Multidrug Resistant Acinetobacter: *The Effectiveness of a Multifaceted Approach to Control*”. Presented at Society for Healthcare Epidemiology of America Annual Conference in April 2007 at the 34th annual Association of Professionals in Infection Control and Epidemiology Educational Conference and International Meeting. in San Jose, California June 2007.

Harris, C., **Flinchum, A.**, Knoll. C., Cooley, S. & McCormick, M. “*Rapid Response: Real Time Capturing of Significant Organisms by a Simple Computer Based Tracking System*”. AJIC 2006 Publication #950295. Presented at the 33rd annual Association of Professionals in Infection Control and Epidemiology Educational Conference and International Meeting in Tampa, Florida June 2006.

McCormick, M.I., Berry, S., Harris, C., **Flinchum, A.** & Kearney, P. “*Systems Based Practice Change: Persistence of an Effect on Surgical Prophylaxis*”. Presented at the 43rd annual Infectious Disease Society of America meeting in San Francisco, California October 2005.

COMMUNITY EDUCATION

Kentucky AIDS Education Training Center on Infection Control
Guest lecturer, 2007 & 2008
