Report Notes:

- The "Academic Home Unit College" is the academic college in which the primary academic appointment is held. Individuals with no academic appointment will not have an academic home unit college listed.
- The "Academic Home Unit" is the academic department, division, or center in which the primary academic appointment is held, as specified on the appointment contract. Individuals with no academic appointment have their primary human resources assignment displayed as recorded in SAP.
- Faculty counts include Full-Time, Regular and Research Title Series Faculty.

Source: University of Kentucky, Office of Sponsored Projects Administration (OSPA) Database

Compiled by: University of Kentucky, Office of the Vice President for Research

Data Updated: June 30, 2022

Report Notes:

- Primary total includes all dollars for projects assigned to the primary department of the contact principal investigator (PI) or the unit responsible for the project.
- Collaborations are based on co-investigator (Co-I) involvement on projects outside of the responsible department or unit.
- Collaboration dollars equal the total award for the project during the academic fiscal year—they do not represent the enrichment split or the faculty percent effort on the sponsored project grant.

PI Analysis by Total Funding Awarded in FY 2022

7 PIs make up 75.00% of (All) award funding out of 37 PIs with extramural funding
